

## DENTAL INSURANCE PLANS

We encourage our patients to become educated about their Dental Insurance to help **avoid unexpected expenses**. As part of the Health Privacy Act, insurance companies **will not release** any information to us without the plan holder present. To better understand what your insurance provider covers for dental treatment, we created a worksheet to assist you in asking the appropriate questions.

### Questions To Ask Your Insurance Provider

	<u>Code</u>	
How often am I allowed to receive a New Patient Exam?	<b>01103</b> (Adult)	_____
	<b>01102</b> (Mixed Adult)	_____
